Well it appears that Sun never informed us...
Since this has not been on your list...
I think he should complete the Referral form so we can officially completed this process

Thank you. I am sure there was never one issued. Do you need anything from me to issue a memo to Greg now?

Harry,

Were you able to determine if there was a compliance memo sent to Greg Templeton for Vid Shadow now known as One Screen? If one has been sent, can you please send a copy of that memo to David Tufts? If there was never a memo issued can you please issue one to Greg and copy David? Thank you.
