Hey Clark,

Please forward me the wiring instructions and it will be expedited first thing Monday morning.

Have a great weekend.

Hi Greg,

Attached is the signed engagement letter as well as a mark-up of the changes we made. We will FedEx two hard copies to Jordan and will ask him to sign both of them, one is for his records and the other one needs to be returned to us.

Could you please send us all of the contact information for the company's management team as well as Norman and we will put together a working group list.

Thanks,

Michael
